Subject: ASCE Illinois Section Awards
Outstanding Civil Engineering Achievement of the Year Award (Under $5 Million)

Dear Mr. Hinterlong:

Congratulations on the Cook County Digital Flood Insurance Rate Maps (DFIRMs) being named the Award Winner for the 2001 Outstanding Civil Engineering Achievement of the Year for projects having a cost less than $5 million. The ASCE Illinois Section Board of Directors and Officers ratified the Awards Committee recommendation of your project at its September 10, 2001 meeting.

The Award will be presented at the ASCE Illinois Section Annual Dinner Meeting on October 17, 2001 at the Palmer House Hilton Hotel. We trust that you and representatives from FEMA, and other engineering and construction firms who contributed to the success of the project will like to attend. A member of the Awards committee will be contacting you in the next week or so to request more details and to obtain information for the awards ceremony.

On behalf of the Board of Directors, we wish to express our great pleasure in recognizing you for this most prestigious award.

Sincerely,

Andrew J. Sikich, P.E.
ASCE Illinois Section
Chair, Awards Committee
