

Federal Emergency Management Agency

Washington, D.C. 20472

JUL - 3 2001

Paul Sandifer, Ph.D., Director
South Carolina Department of Natural Resources
1000 Assembly Street
P.O. Box 167
Columbia, South Carolina 29202

Dear Dr. Sandifer:

This letter is in follow up to my June 20, 2001, letter to you in which we decided to provide one final opportunity for appellants to comment on our draft September 26, 2000, appeal resolution for the Richland and Lexington Counties, South Carolina Flood Insurance Rate Maps and Flood Insurance Studies. In that letter, I promised to provide further information regarding the format of the meeting on July 24, 2001.

Please mail your ten page written summaries and any supporting information no later than July 6, 2001, to:

Federal Center Plaza
500 "C" Street, SW
Washington, D.C. 20472
Attn: Michael Buckley, Room 423

Please also fax a copy of the written summary to Michael Buckley at 202-646-4596.

Shortly after this data is received, it will be posted on our website. However, as a matter of expediency, copies of your summary, and all reference materials should be mailed to those on the attached list. The summaries should include by reference any pertinent computations previously submitted or those performed to supplement your previously submitted data.

Any appellant wishing to comment on the data provided by another party as part of this process must do so in writing. These comments should be limited to five pages clearly referencing all pertinent supporting data and must be sent to the above address and post marked no later than July 20, 2001. Copies of these comments should also be sent to those on the attached list.

At 10:30 am, on July 24, 2001, a meeting will be held in our Regional Office in Atlanta, Georgia. The purpose of the meeting is to allow those who provide written summaries a 30-minute opportunity to present their conclusions to other appellants, FEMA staff, and Michael D. Brown, who will serve to moderate the meeting. Once all of the appellants have concluded their presentations, Michael Brown and FEMA staff will meet individually with each appellant for 30-minutes to further discuss their presentation, and to discuss any other issues pertinent to the draft appeal resolution

issued on September 26, 2000. Please bring six copies of your presentation to the meeting for distribution to those in attendance. The meeting is not expected to go beyond 5:00 pm. We anticipate issuing our final determination in Columbia, South Carolina no later than August 7, 2001.

Should you have any questions regarding the July 24, 2001 meeting, please contact Michael Buckley at 202-646-2756.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert F. Shea". The signature is fluid and cursive, with a large initial "R" and "S".

Robert F. Shea
Acting Administrator, Federal Insurance
and Mitigation Administration
