Dear Mr. Miller:

Upon reading FEMA's Congaree River appeal resolution, and most recently, reading a newspaper article about FEMA's meeting held on January 29th regarding the Congaree River FIRM, I have questions and concerns relating to FEMA's latest proposed FIRM. I am requesting that you and other representatives of FEMA appear before Richland County Council to answer questions that I and other Council Members have about this issue. Please call Ms. Mullen Taylor, phone (803) 748-4645 to schedule a work session with Richland County Council.

Sincerely,

A handwritten signature in cursive script that reads "Buddy Meetze".
